

CLEANLINESS. SAFETY. COMPLIANCE.

COMPANY OVERVIEW

Germ Slayers is a leading provider of comprehensive janitorial services tailored to meet the stringent requirements of **Government, Industrial, Healthcare, Corporate,** and **Educational** sectors.

CORE COMPETENCIES

We deliver industry-specific cleaning solutions, from **janitorial** and **post-construction cleanup** to **biohazard response** and **hazardous waste removal**. Our **floor care, industrial deep cleaning, supply** and **facility management**, and **facility maintenance** ensure safety, compliance, and efficiency in every environment.

KEY DIFFERENTIATORS

Regulatory Compliance

- Ensuring all services align with OSHA, CDC, EPA, and industry-specific standards to reduce liability and health risks.

Rapid Response & Reliability

- 24/7 availability for emergency cleanups and specialized sanitation needs.

Sustainability & Eco-Friendly Practices

- Using green-certified products and sustainable waste management to support environmental goals.
